Team Ocean Kayak at the Texas A&M Adventure Club Corpus Christi, Texas

Team Ocean Kayak's Captain Filip Spencer helped out with the recent Texas A&M adventure club kayak outing held in Corpus Christi, Texas. This event is sponsored by Wind and Wave, an Ocean Kayak dealer in Corpus Christi, Texas. This is always a great opportunity to introduce young people to the sport of kayaking. College students are a great target audience, always full of energy, and looking for a fun outdoor water activity during the summer. Kayaking is the perfect fit and everyone in attendance had a great time.

Team Ocean Kayak in Kayak Angler Magazine

Team Ocean Kayak's Vincent Rinando and Clint Barghi appeared in the Summer/Fall Issue of Kayak Angler Magazine. It was great to see the pictures, but we aren't too happy about them cropping the Kistler Fishing Team and Ocean Kayak Logos from the photo. However, the picture did appear on the same page as the Scotty ad.

Team Ocean Kayak at Galveston Redfish Series Galveston, Texas

Team Ocean Kayak's Vincent and Sam Rinando and Clint and Cameron Barghi fished in the second leg of the Galveston Redfish Series Powerboat tournament. This was the second event in a three event series typically reserved for powerboats, however Team Ocean Kayak is accepting this challenge from a kayak. After a good start in the first event, Vincent and Sam Rinando had difficulty putting together two fish and only ended the day with one 4.5lb redfish. Clint and Cameron Barghi fared better with a two fish 12.5lb stringer, good enough to place them 15th overall. Clint did manage the monster red below, but it was oversized

Team Ocean Kayak competes against the powerboats at the Galveston Redfish Series

Team Ocean Kayak's Captain Filip Spencer participated in this year's Captain's night held in Corpus Christi, Texas. This was an opportunity for kayak anglers to meet with and discuss kayak fishing tactics with some of the more well known kayak fishing guides on the lower coast. This was an opportunity for the community to find out information about equipment and tackle that is frequently used, along with fishing areas and conditions that have been successful. This is just another event that Team Ocean Kayak frequently participates in to solidify its place as the face of kayak angling in Texas and there are not many faces in the community more recognizable than Captain "FISHMAN" Spencer.
