Team Ocean Kayak Roy's TFO Flyrod Demo Corpus Christi, TX

Team Ocean Kayak's Captain Filip Spencer was asked to help out with Temple Fork Outfitters Demo day at Roy's Tackle shop in Corpus Christi, Texas.

Team Ocean Kayak is no stranger to fly fishing and all of it's members are avid fly fishermen. Many of today's current state fly rod records are held by Team Ocean Kayak members including the State Catch and Release Speckled Trout, State Sand Trout Record, Galveston Bay Speckled Trout body of water record, Gulf of Mexico Speckled Trout body of water record and many others.

Temple Fork Outfitters is a fly rod company based out of the Dallas area which has long been the work horse fly rod in Team Ocean Kayak's arsenal.

Affordable quality and long lasting durability have long been the trade mark of TFO Fly Rods.

Team Ocean Kayak will be working harder this year to create a bigger presence in the fly fishing industry. Team Ocean Kayak already organizes an annual fly casting class with legendary instructor Bill Harvey.

Team Ocean Kayak sets 8 new State Fishing Records

Team Ocean Kayak's Captain Filip Spencer added to his growing list of State records by picking up the new Fly fishing State Catch and Release record for Sheephead at 20.5 inches and 5.81 pounds.

Captain Filip Spencer also received the State body of water record for Black Drum for Nueces River and this fish also qualified for the State Catch and Release record and the state catch and release body of water record for the Nueces River.

Captain Filip Spencer also set the new State Water Body record for Speckled Trout for the Nueces River at 28.5 inches and 8.31lbs.

Team Ocean Kayak currently hold close to 50 State Fishing Records and we are adding to this total constantly.
