Team Ocean Kayak getting ready for 2011

Team Ocean Kayak is making preparations for another success year. Please get with your team representative with any event dates as soon as they become available so that we can start to put together our event calendar.

We are also in the process of familiarizing ourselves with our new kayaks and gear. If you have any new products that you want promoted in 2011, please send us any information you feel would aid us in the endeavor.

Over the course of the winter, we will fish a few trout tournaments in the Galveston area, but for the most part we will be preparing for the upcoming year. We are excited about the prospects for 2011 and we plan to increase our presence in the various media outlets and social networks. We have outfitted our Ocean Kayak Camo Torques and had them registered for what we hope will be a video shoot of a duck hunt from a kayak. The Torque has really extended our paddling range and we look forward to exploring some new waters.

We hit the ground running in January as usual, so if you haven't touched base with your team representative, do so soon. If you have any promotional items, shirts, hats, stickers, brochures, send them out as well, the promotional season is really heaviest at the beginning of the year.

Team Ocean Kayak would like to thank you for your continued support and wish you and your family a very Happy and Safe Holiday Season and a prosperous new year.
