Team Ocean Kayak Seminars at Bass Pro Shop

Team Ocean Kayak's Vincent and Sam Rinando gave kayak fishing seminars at the Bass Pro Shop's Spring Fishing Classic. Sam and Vincent setup the projector and table right in front of the aquarium and gave a two and a half hour seminar on kayak fishing, complete with videos and pictures using a projector and screen. We also brought along a fully rigged Ocean Kayak Trident 11 complete with sponsored products for demonstration.

After the seminar we led several of the crowd back into the fishing section where we helped them select rods, reels, line, and tackle. We sold a lot of product.

Team Ocean Kayak has been invited back by request of the manager to provide the Katy store with kayaking seminars for their May event.

Team Ocean Kayak again will setup a table with sponsor's products, along with projector, screen, pictures and videos.

Team Ocean Kayak Down one man

Team Ocean Kayak's Vincent Rinando was involved in a auto accident in Houston the day before leaving for the first IFA tournament of the season. Vincent's RAV4 was overturned by a person running a red light after work.

Vincent's new vehicle did it's job and the air bags deployed. Vincent suffered some fractured bones, but luckily surgery was not required, and Vincent was discharged to his home after a couple days in the hospital.

For the next 6 to 8 weeks Vincent will be involved in some intense physical therapy aimed and getting him back up on his feet and back to work.

Eager to get back on the water, Vincent will be working hard in physical therapy to get his body back into kayaking shape. The next IFA event is on May 15.

Vincent would like to thank all his family and friends who visited him in the hospital and continue to help out while he is recovering at home.

We would like to thank our Sponsors for their continued Support
